

The logo features a stylized sun with a yellow and orange gradient, positioned in the upper right corner. The background is divided into three colored regions: a large green area on the left, a blue area at the top right, and a light blue area at the bottom right. A thick black line runs diagonally from the bottom left towards the center, and another thick black line runs diagonally from the top right towards the center, meeting at a point near the sun. The text "NESM" is written in a bold, white, sans-serif font with a slight shadow, located in the bottom right area.
